HM Cragg Expands

Ribbon cutting ceremony held at new office

EDEN PRAIRIE, Minn. (Winter 2010) - In response to its rapidly growing product sales and service needs, HM Cragg has expanded into an additional leased office and warehouse space. A ribbon cutting ceremony was held on Thursday, December 2nd, 2010 to mark the occasion. The new location will house HM Cragg's service department while providing more warehouse space for their expanding backup power distribution business at 7674 Washington Avenue South.

Fueled by growth in the IT and data center markets, HM Cragg continues to grow as an established distributor of backup power systems, power distribution units, power electronics, batteries, and other complementary items. Their product line includes offerings from 12 manufacturers – Eaton Corporation and C&D Technologies, Inc. among them.

The new service department offices and warehouse are located at:
7660 Washington Avenue South
Eden Prairie, MN 55344

For more information about HM Cragg's services and availability, email info@hmcragg.com or call 1-800-672-7244.

About HM Cragg

Since 1968, HM Cragg has provided preventive maintenance and installation services on backup power systems, including power plants, batteries, chargers, rectifiers, cabling, racking, and grounding systems. With a full service staff of Telcordia-trained technicians, HM Cragg is experienced in telecommunications, switchgear and control, and UPS (uninterruptible power systems) environments. More information is available at www.hmcragg.com.
