**New Distribution Center in Reno, NV**

March 1, 2010, HM Cragg opens a third distribution center

EDEN PRAIRIE, Minn. (Winter 2011) – On March 1, 2011, HM Cragg opened a new distribution center in Reno, NV – their third stocking facility in the US and first in the western region. As an Eaton Master Distributor, HM Cragg stocks over \$2 million of product in three strategically located distribution centers: Reno, NV; Minneapolis, MN; and Raleigh, NC. With three locations, HM Cragg provides increased product availability, economical freight costs, and faster delivery.

HM Cragg is dedicated to providing superior service as a leading distributor of Eaton backup power supplies. The western US distribution center will improve the overall quality of service as well as fulfillment capabilities for the growing IT and data center markets.

**About HM Cragg**

Since 1968, HM Cragg has provided preventive maintenance and installation services on backup power systems, including power plants, batteries, chargers, rectifiers, cabling, racking, and grounding systems. With a full service staff of Telcordia-trained technicians, HM Cragg is experienced in telecommunications, switchgear and control, and UPS (uninterruptible power systems) environments. HM Cragg's product line includes offerings from 12 manufacturers – Eaton Corporation and C&D Technologies, Inc. among them. More information is available at [www.hmcragg.com](http://www.hmcragg.com).
