

**EAT•N**

**Powerware**

**Vertical Power Controllers VPC2769 & VPC1917**

**Enclosure Power Distribution Units (ePDU™)**

VPC2769-A2-M 120 volt      VPC2769-B2-M 208 volt      VPC1917-5 120 volt

**RACK MOUNTED**

- 70" vertical PDU (66" without mounting brackets)
- Width is 2" and depth is 1.89"
- Rugged steel construction, color black
- Approximate shipping weight is 20 lbs.

**CURRENT MONITORING - OPTIONAL**

- 2 digit current monitor displays system current draw to aid in proper system loading
- For models VPC2769 add "-M" to the end of the part number
- Current monitor is not available on the VPC1917 Series

**(12-42) OUTLETS**

- IEC 60320 C13 are used on the VPC2769-B2 versions
- NEMA 5-20R are used on the VPC1917-5 and VPC2769-A2 versions
- NEMA 5-15 are used on the VPC1917-4

**POWER INPUT**

- Attached power cable with NEMA style plug

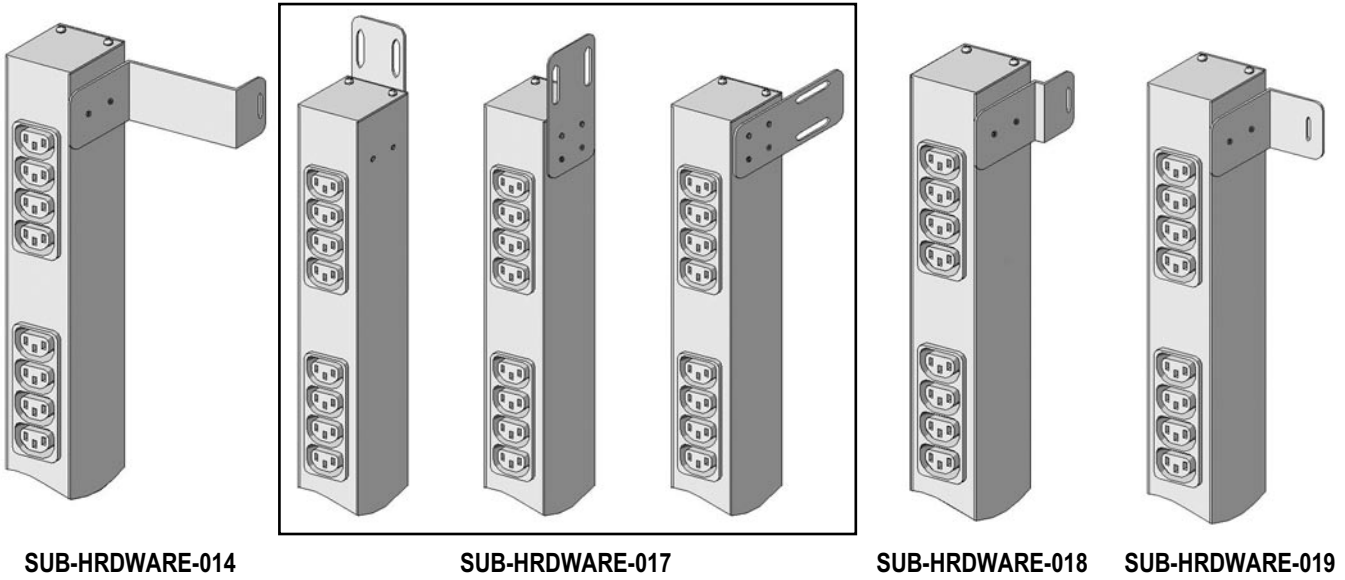

**MOUNTING BRACKETS**

- VPC2769 mounting brackets are NOT included, order separately
- VPC1917 standard mounting brackets included, other brackets available
