

End-of-life notification for select Eaton Rack PDU models

Eaton is announcing that it will end-of-life select aging model PDUs effective **January 1st, 2021**. These models are being eliminated as we work to consolidate and streamline our offerings for improved lead times and availability. Orders entered against the part numbers will be honored on a first come, first serve basis until all remaining stock is depleted. Please see the below available cross list for skus effected to provide an alternative solution, if stock has been depleted.

Please reference the table below, for the complete list of catalog numbers effected:

| EOL Part Number | Suggested Replacement Part Number |
|------------------------|--|
| EBA116-10 | ePBZ93 |
