

Two out of five takes home a prize!

**PROGRAM
EXTENDED!**

Earn up to \$200 extra each month!

For Authorized and Certified partners, Eaton's Rewards Program has improved the odds of pocketing more cash! **Eaton's bonus program has been extended from January 1 until December 31, 2021!** During this promo period, if you sell from more than one category in the same month, you get a bonus. But why stop there? For every additional category you sell from, you'll get an additional bonus.

Product categories	Bonus Payouts
<ul style="list-style-type: none"> 🎯 UPS 🎯 Batteries/packs 🎯 Accessories 🎯 Software 🎯 PDU/racks/ATS 	<ul style="list-style-type: none"> 🎈 1 category = \$0 🎈 2 categories = \$50 🎈 3 categories = \$100 🎈 4 categories = \$150 🎈 5 categories = \$200

Step right up - you have to be in it to win it!

The odds are in your favor. So skip the ring toss and balloon darts and use your energy where you know it will pay off.

* The categories can be on different invoices and to different users but need to be claimed within the same month. Each month partners can claim a new bonus. Promotion extended from January 1 until December 31, 2021. Some categories that have a bonus do not have a spiff.

Eaton rewards eligible product list

SPIFFS FOR 2021
Effective July 1 – December 31, 2021

NEW! Additional products have been added as of April 1 including 9155, 9355, 93E and 93PM. Rewards eligibility for these products are retroactive! Previous sales of these products are eligible for rewards as long as the rewards claim is made within 60 days after the sale date. *Please note partners need to be **authorized** or **certified** at the time they are making their claim in order to be eligible to participate in this program.*
