

USE YOUR EXPERTISE TO BECOME AN EMPLOYEE-OWNER!

Who is HM Cragg?

HM Cragg has been providing quality backup power solutions since 1968, as a manufacturer's representative and distributor of uninterruptible power systems, power electronics, generators, backup battery applications and other complementary products. We also provide a full range of preventive maintenance services for backup battery, generators and UPS applications as well as installation services for telecom, switchgear and control and power plant environments.

HM Cragg is a 100% employee-owned company, which means you could be part owner of the company you work for! This creates a unique work environment where all employee-owners truly care about the success of the business and want each other to succeed.

Benefits of working at HM Cragg include:

- Employee Assistance Program
- PTO and paid holidays
- Medical plan choices
- Employee stock ownership
- Tuition Reimbursement
- Short Term Disability
- Long Term Disability coverage
- Company paid life insurance
